

# TACTICAL DEPLOYMENT SYSTEMS

## Capabilities Statement

### CONNECT ANYTHING, ANYWHERE

Tactical Deployment Systems (TDS) is your sole source supplier for custom fiber optic and copper assemblies/solutions to meet your commercial and military requirements. Our product solutions are engineered to meet your demands of quick turn around and rapid response. From concept, design, to full production, our engineers are always available with the latest in product and technology to meet the highest quality standards.

### Capabilities:

TDS is a customer focused manufacturer of custom products to meet our customers needs. We manufacturer in the USA a full range of fiber optics connection including:

LC, SC, ST, MTP/MPO, CS, MDC, SN various MIL SPEC optical configurations

TDS has invested heavily into the latest fiber optic manufacturing equipment with a full product manufacturing capability:

Interferometers	Smart Check Visual Inspection	IL/RL Testing	OTDR
Laser Cleaving	SolidWorks 3D modeling	Sheet metal design	

### Differentiators:

Customer focused solutions approach, we become an extension of our customers needs by providing complete product validation on every order.

Full design and engineering services to support component selection, SolidWorks engineering drawings, 3D Modeling, 3D Video production

Leading-edge technology brands HD8<sup>2</sup>, Chameleon and Lightwave

Innovative Products 2019 Cabling Award - HD8<sup>2</sup> Products

Cover Article July/August 2020 - Cabling Installation & Maintenance "Squaring Up for High Speeds"

### Markets Served:

Military Tactical Ruggedized COTS	Aerospace Commercial	Naval Warfare Data Center Solutions	Mining Broadband
--------------------------------------	-------------------------	--	---------------------

### Customers Served:

Northrup Grumman State & Local Cisco	Lockheed Martin K-12 / Universities Nokia	Boeing NFL Juniper	General Dynamics NASCAR CACI
--	---	--------------------------	------------------------------------

### 2019 Innovators Product Award

DUNS: 05-458-1299

CAGE: 70H81

NAICS Codes

335921 - Fiber Optic Cable Manufacturing

335932 - Noncurrent-Carrying Wiring  
Device Manufacturing

332322 - Sheet Metal Work Manufacturing

332618 - Other Fabricated Wire Product  
Manufacturing

### Certifications / Compliance

ISO 9001:2015, TAA, RoHS

### Key Standards Supported

IEC 61300-3-30/35

IEC 61754-20

IEC 61754-4-1

IEC 61755-1 Grade C

IEC 61755-3-31

MIL-STD 2042-B

IPC-WHA-MA-620A Class 3
